6. Teams _____ Number of Players per Team _____

If Changes, Report it to Assoc. Manager

Not all lane dressing is a "house" shot. There are specific variances that determine whether the lane condition is a House/Standard, Challenge or Sport shot. Averages bowled on Challenge or Sport conditions must be converted using the respective conversion chart. Additionally, we want you to know if the pattern changes throughout the season, the condition is not House/Standard, it must be marked Challenge.

- Use Dark Ink
- **ORIGINAL submitted to Assoc. Manager**
- Print Clearly
- Keep a copy for your records

Find a Member “Lane Condition”

Lane Condition Key

Sport League – Sport League - Leagues reporting Sport lane patterns. Averages established in a league are generally 20 pins or lower than those bowled on a standard/ house condition. Please adjust the average using the Sport Bowling Average Adjustment Chart on BOWL.com when average is used for tournaments or leagues conducted on standard or "house" conditions.

Challenge League – Challenge League - This icon indicates this average was bowled on a Challenge Bowling pattern, Lane condition ratio is generally between sport and standard/house. Averages established in a league are generally 10 pins or lower than those bowled on a standard/ house condition.

Standard/House – No icon indicates this average was bowled on a standard or house pattern. Condition applied by center which promotes high scores and averages.
